Competition

THINGS ARE GONNA GET HAIRY!

WIN A TV/Video Combi and a Cats & Dogs VHS!

Out on 3rd December, from Warner Home Video, just four months after its record-breaking cinema release, comes Cats & Dogs – the funniest, wildest and biggest family movie of the year – on VHS (RRP £16.99) and DVD (RRP £19.99). There's even a special gift set available with VHS, fleecy hat and scarf!

You'll soon find out if you're a feline fellow or a doggie dude, when the cat comrades and canine agents go at it tooth and claw for world supremacy. The fast and furious slapstick action and cutting-edge special effects are enough to make you bark at the moon!

One lucky winner will be scooping a TV/Video Combo, a pair of exclusive fluffy toys and a Cats & Dogs VHS, and there are copies of the VHS for 5 lucky runners-up! To be in with a chance of winning, just answer this simple question:

Q *Which of these is NOT a breed of dog?*

a) Alsatian
b) Persian
c) Dalmatian

Turn to page 34 and write your answer on our easy to use competitions coupon. Good luck!

REAL RATTITUDE!

These are the real thing. Racin' Ratz by Tyco R/C are the all-new, super-high speed cars with working headlights and wild stunt action. Take control of the thrills as you just click 'n' go with the speed. Racin' Ratz take only 10 minutes to charge and then can produce all kinds of crazy stunts!

To celebrate their launch, Cartoon Network have teamed up with Tyco R/C to offer sets to 15 lucky readers!

To stand a chance of winning a set, answer the following question:

Q *Do real live rats have wheels?*

Once you have the answer, turn to page 34, follow the instructions and complete the easy to use entry form!

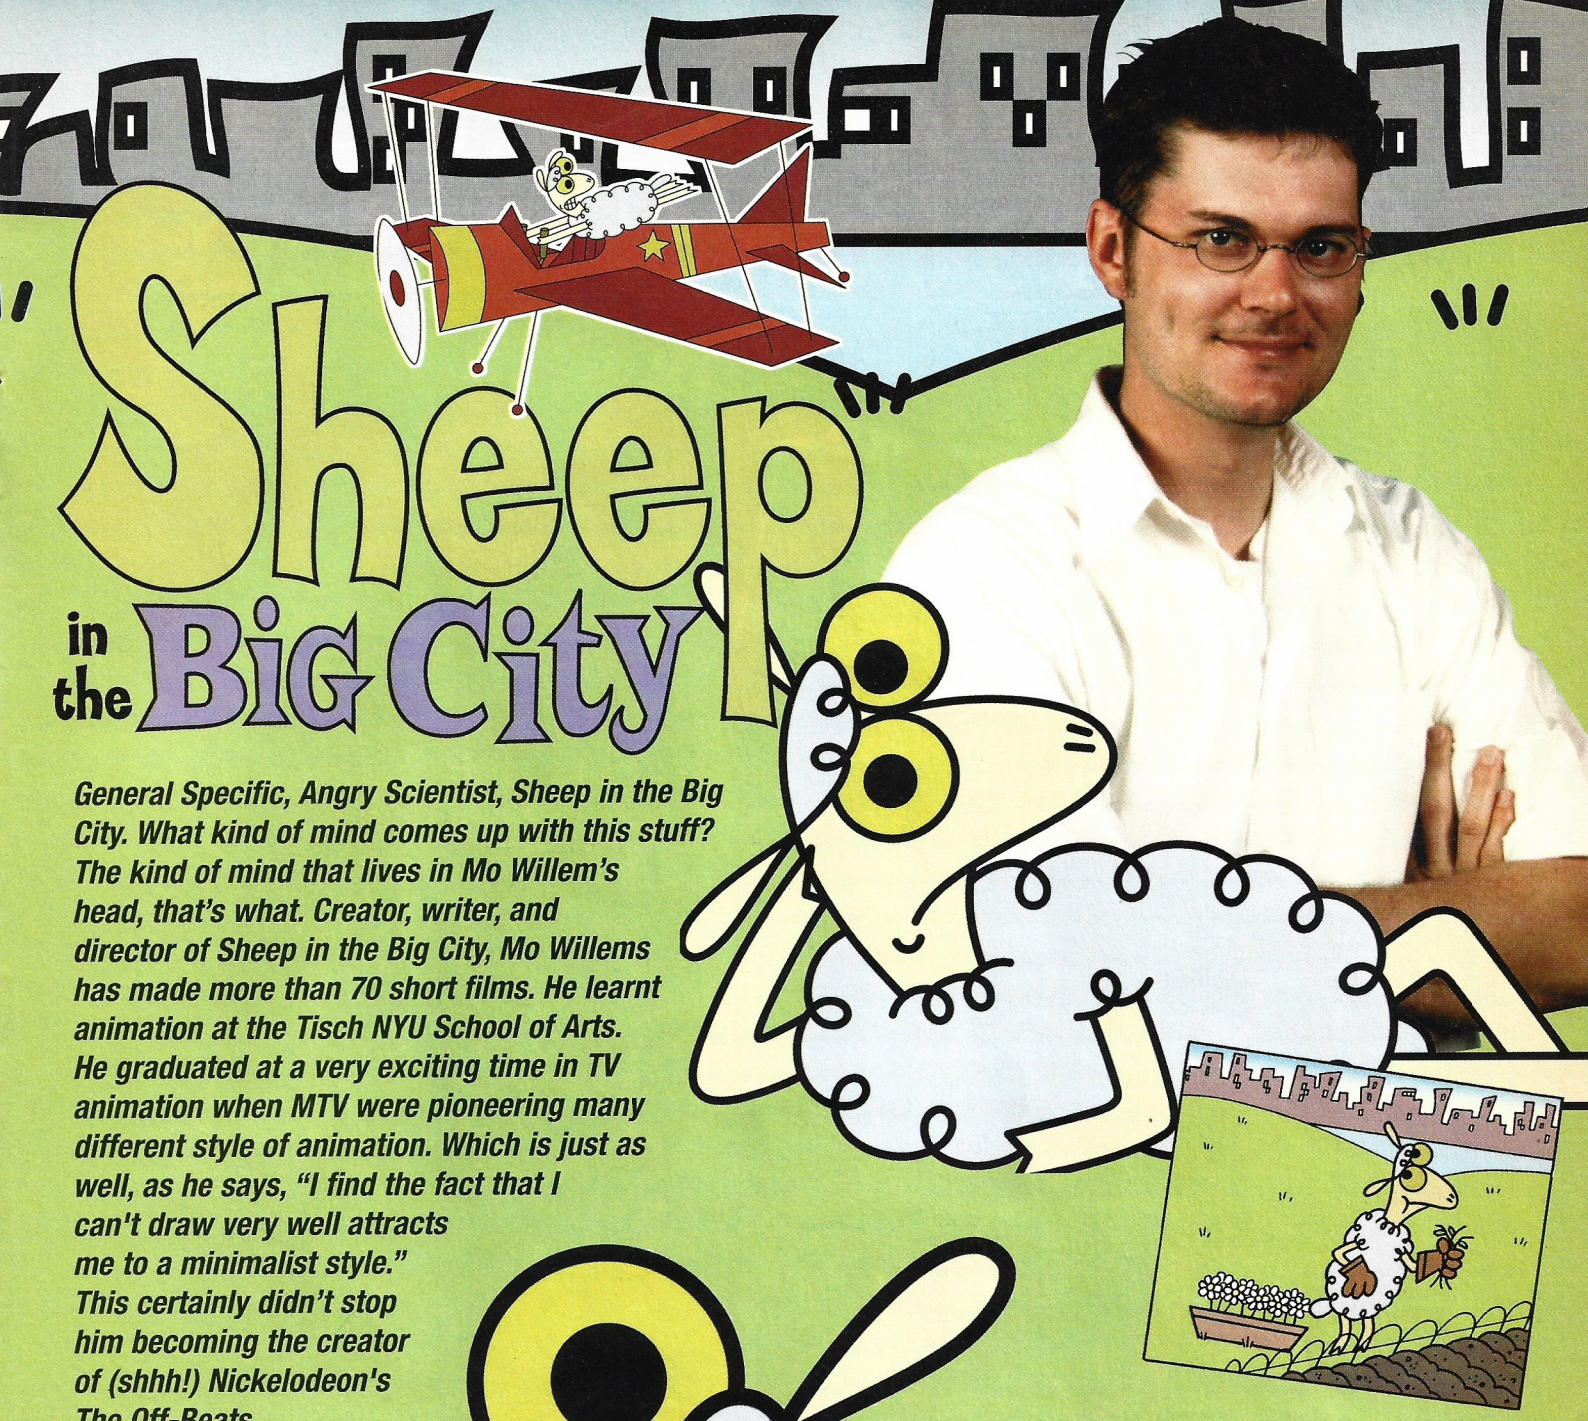
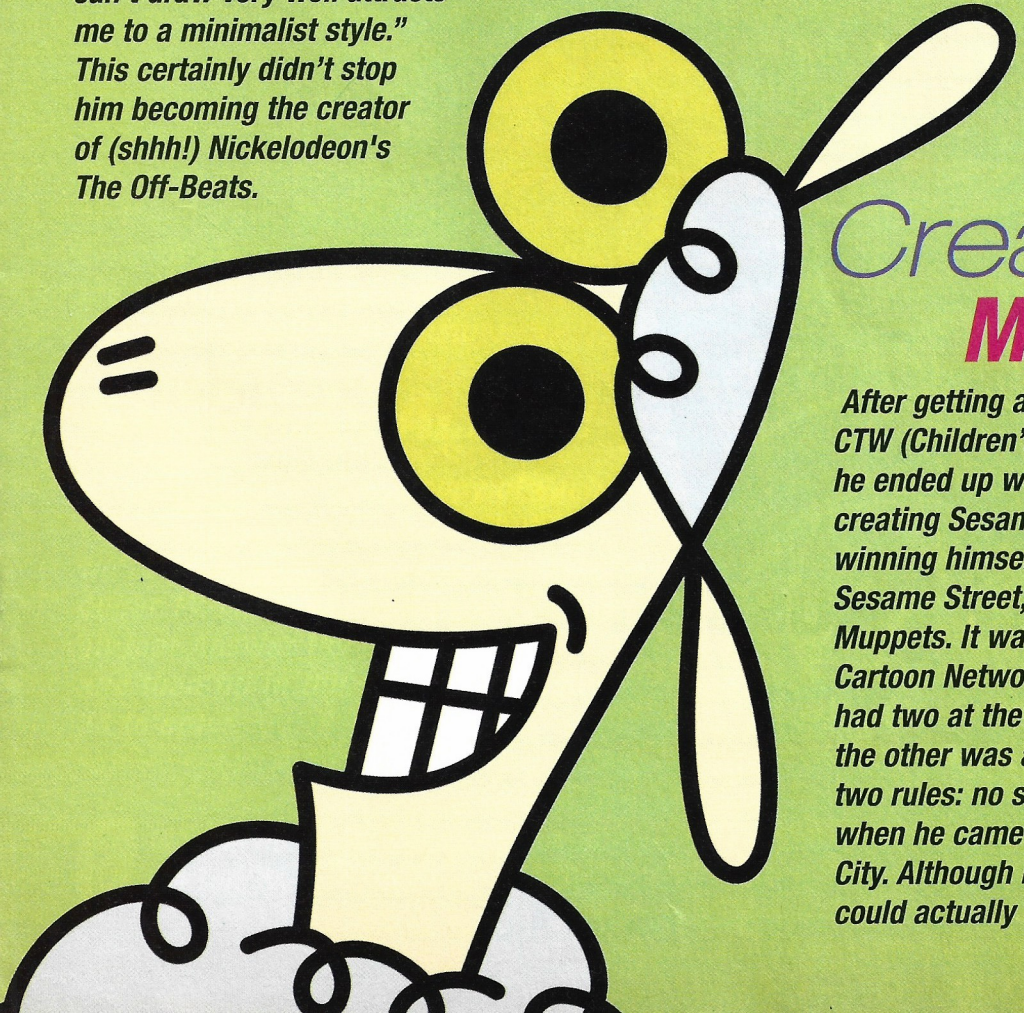
Sheep in the Big City



General Specific, Angry Scientist, Sheep in the Big City. What kind of mind comes up with this stuff? The kind of mind that lives in Mo Willem's head, that's what. Creator, writer, and director of Sheep in the Big City, Mo Willems has made more than 70 short films. He learnt animation at the Tisch NYU School of Arts. He graduated at a very exciting time in TV animation when MTV were pioneering many different style of animation. Which is just as well, as he says, "I find the fact that I can't draw very well attracts me to a minimalist style." This certainly didn't stop him becoming the creator of (shhh!) Nickelodeon's The Off-Beats.



Creator Profile
Mo Willems

After getting a job at the research department of CTW (Children's Television Workshop) in New York, he ended up working on Sesame Street scripts and creating Sesame Street's Suzie Kabloozie cartoons, winning himself four Emmy awards as a writer. From Sesame Street, it was only a short leap to The Muppets. It wasn't long before he got a call from Cartoon Network who were looking for ideas. He had two at the time: one was a super-hero idea, and the other was a space idea. CN told him they had two rules: no super-heroes, no space. So that was when he came up with the idea for Sheep in the Big City. Although he claims to have no idea what you could actually do with a sheep-powered ray gun.

MOUSCHIEF & MAGIC!

Competition

Oodles of jiggery-pokery, hocus-pocus and Tom-foolery are just waiting to be unleashed in Tom & Jerry's new feature length adventure from Warner Home Video!
The long-awaited Tom & Jerry: The Magic Ring is their first movie appearance in over 10 years, and as they hold the top spot on Cartoon Network, it's sure to be snapped up! The larks begin when Tom is given a magic ring to guard from Magician Chip, with a juicy salmon reward if he succeeds...or a boot out of the door if he doesn't! It's no mean feat, though, as Tom discovers when mischievous Jerry gets up to tricks...

Come and join Dorothy, Scarecrow, Tin Man and the rest of the gang when they take a trip over the rainbow to visit The Wizard of Oz Courtesy of Warner Home Video! This polished, revamped version is even more of a magical experience than the original and is guaranteed to make you go all tingly inside!

TOP PRIZE ALERT!

Not only have we got a copy of each video for two lucky readers, but we're also giving away a super-duper TV-video combo to watch them on too! Answer the question below and then fill in the coupon on page 34 to enter.

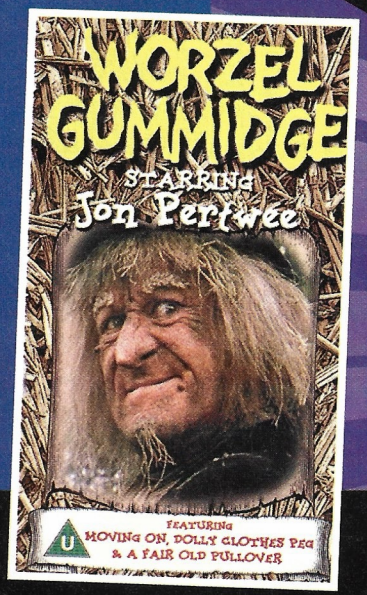
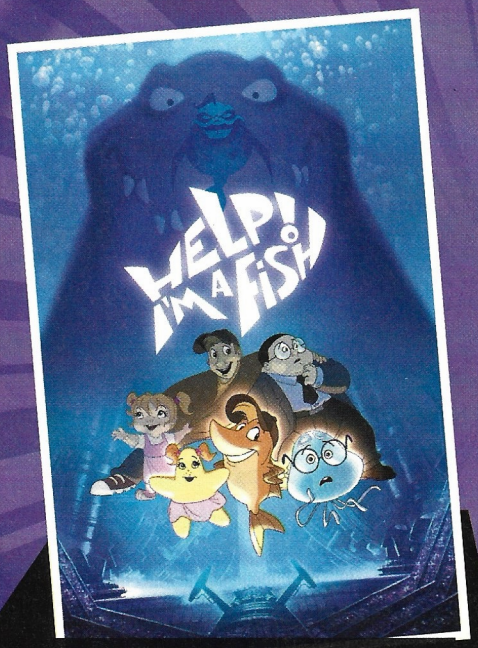
Worzel Gummidge

Worzel's been banned from the Scarecrows' Christmas Ball for leaving his scarecrow post! Follow Worzel's comic adventure to join in the fun with the other scarecrows and watch as he is challenged to a sulking contest with a Scottish scarecrow, Bogle McNeep! It's a fun extra-length episode of a classic TV show!



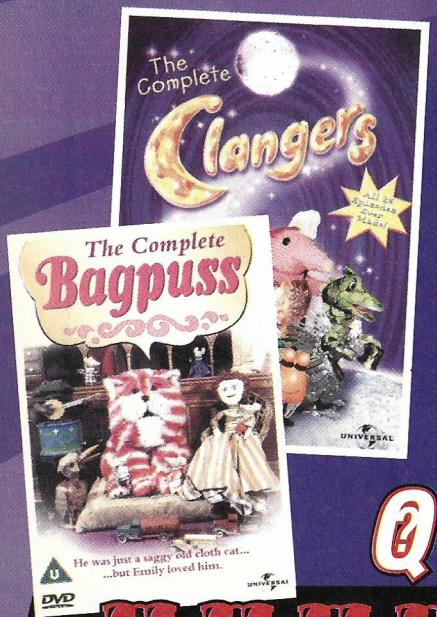
Q What is Worzel?



Help! I'm A Fish

When a girl called Stella drinks a mysterious potion, she becomes a starfish. Her two friends become fish too and swim off to find Stella - before the potion leaves her trapped as a fish forever! It's a fun, family film aimed at younger viewers with enough jokes, songs and adventure to keep the whole family amused!

Q How many arms does a starfish have?



Classic Videos!

Classic TV comes to a video shop near you with these totally excellent collections. They include a full series of the Clangers, Bagpuss and Ivor the Engine. The Clangers were our favourite although all of them are cool and should keep fans of all ages happy. Some of the best shows for young children - not to mention young adults - ever made!

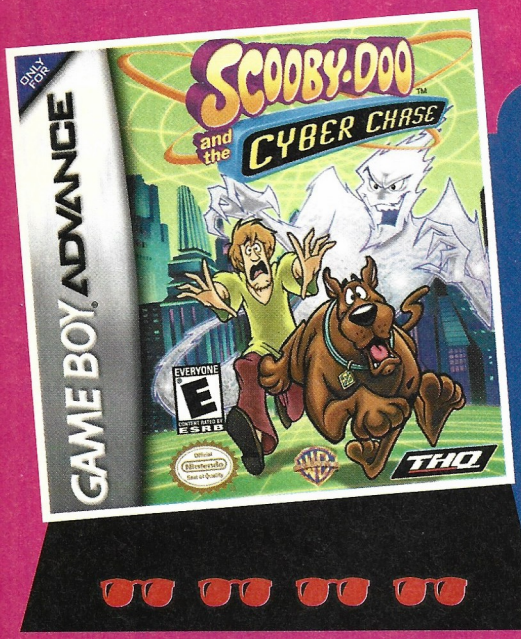
Q Where do the Clangers live?

GAMES

Woody Woodpecker

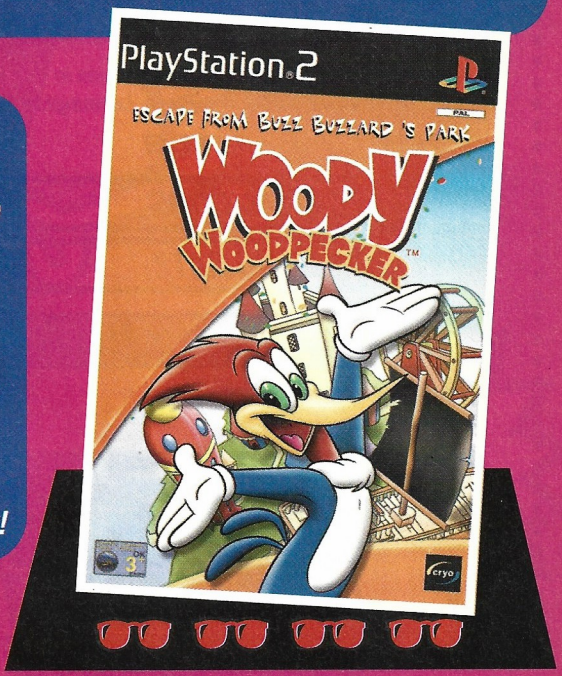
Everyone's favourite woodpecker arrives on the PS2 with a game that remains faithful to the show. All the main characters are here - including Wally Walrus and Buzz Buzzard. It's a platform game with a weird twist as Woody has some exceptionally silly weapons to use - including ketchup and a magic paintbrush.

Q *What does Woody like to peck at?*



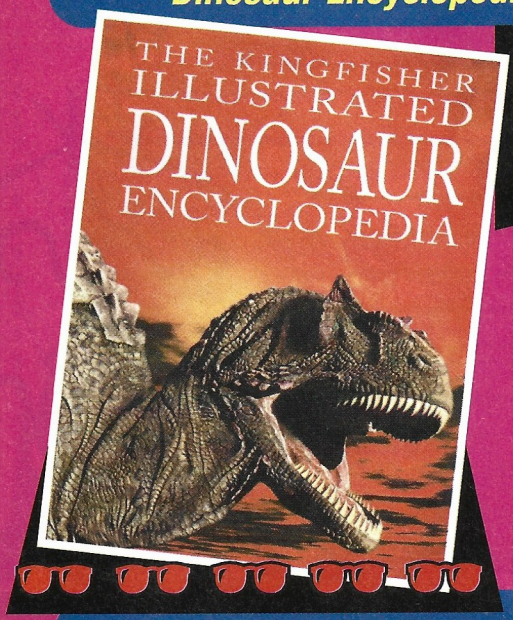
Scooby-Doo!

Linked to the recently released video, the GameBoy Advance version is an excellent addition to this year's coolest console. A 3-D platform adventure featuring all your favourite characters and a few surprises. Both gamers and fans of the series will find things to enjoy. It's just enough to keep Scooby fans going until the live action movie's released next year!



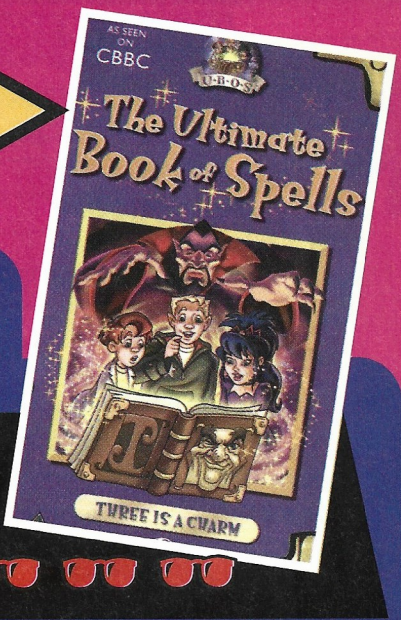
BOOKS

Dinosaur Encyclopedia



The Kingfisher Illustrated Dinosaur Encyclopedia is one of the best books we've come across for ages. Over 200 big, full colour pages of fab info on all things prehistoric with some excellent pictures from John Sibbick and a useful timeline guide to the different eras. It's got everything you'll need to know about dinosaurs and more!

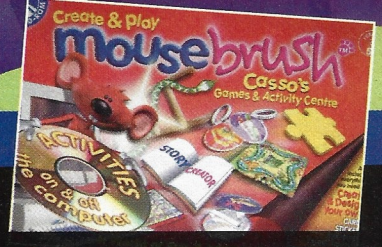
Ultimate Book Of Spells



Just in time for Harry Potter to make magic popular, this new series follows three magical friends as they attend a boarding school in Hamburg filled with magical creatures. When they are swept up into the Ultimate Book Of Spells, their adventures really begin. It's a cross between Tolkien and Harry Potter and it's a cool animated show.

Q *What film of Tolkien's is out later this year?*

TOYS



Mouse Brush

More of a craft set than a game, this cool CD ROM set allows you to create your own cards, stickers and mousemats! It's a must for all would-be artists and designers!

Edd

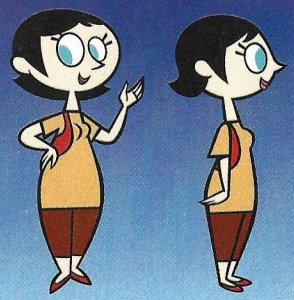
Ed, Edd n Eddy

Edd's the polite one. He doesn't like people touching his things, especially not after he's carefully labelled everything. He is also prone to mumbling. Not to mention crushes on girls - on TV, in magazines, at School, even in anatomy books. Edd is always ready for action even though he knows that it's probably a really bad idea - Eddy's usually.

Did you know?

Edd is also known as Double D!

Ms. Keane



THE POWERPUFF GIRLS™

She teaches The Powerpuff Girls at Pokey Oaks Kindergarten. Her optimistic and sweet nature keeps the girls down to Earth. She encourages them to use their powers but insists they don't break school rules. If they really must save the day, then they have to put their hands up and ask - like everyone else.

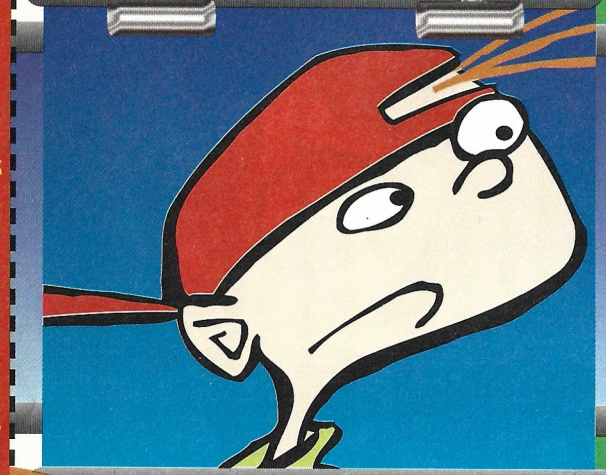
Did you know?

Ms. Keane has no super-powers!

The Essential Cartoon Network. Remember to keep those pages safe or the booklet will not be operational. Instructions can be found over leaf. Stay tooned next month for more pages!

To make the booklet, safely store the pages until you have all ten parts and then cut them from the comic, carefully following the dotted lines, and fold down the centre and place in order. So easy, even Ed could do it!

Kevin



Ed, Edd n Eddy™

Thinks that Ed, Edd n Eddy are dorks. Cynical and sarcastic, Kevin has overdosed on TV news programmes and thinks he has all the answers. Well, he has - if the answer is "Dorks". Kevin is cool in a way the Eds could never be - and would never want to be.

Did you know?

Kevin was created by Danny Antonucci.

Ed

Ed, Edd n Eddy™

The not very bright one. He has a very short attention span. Possibly even shorter than that sentence. If there is any hard work to do Ed will get lumbered with it. He is happiest playing with his model kits and watching monster movies. The only blot on his horizon is his little sister, Sarah. Oh yes, and he's allergic to everything.

Did you know?

He's the strangest and smelliest of the Eds!

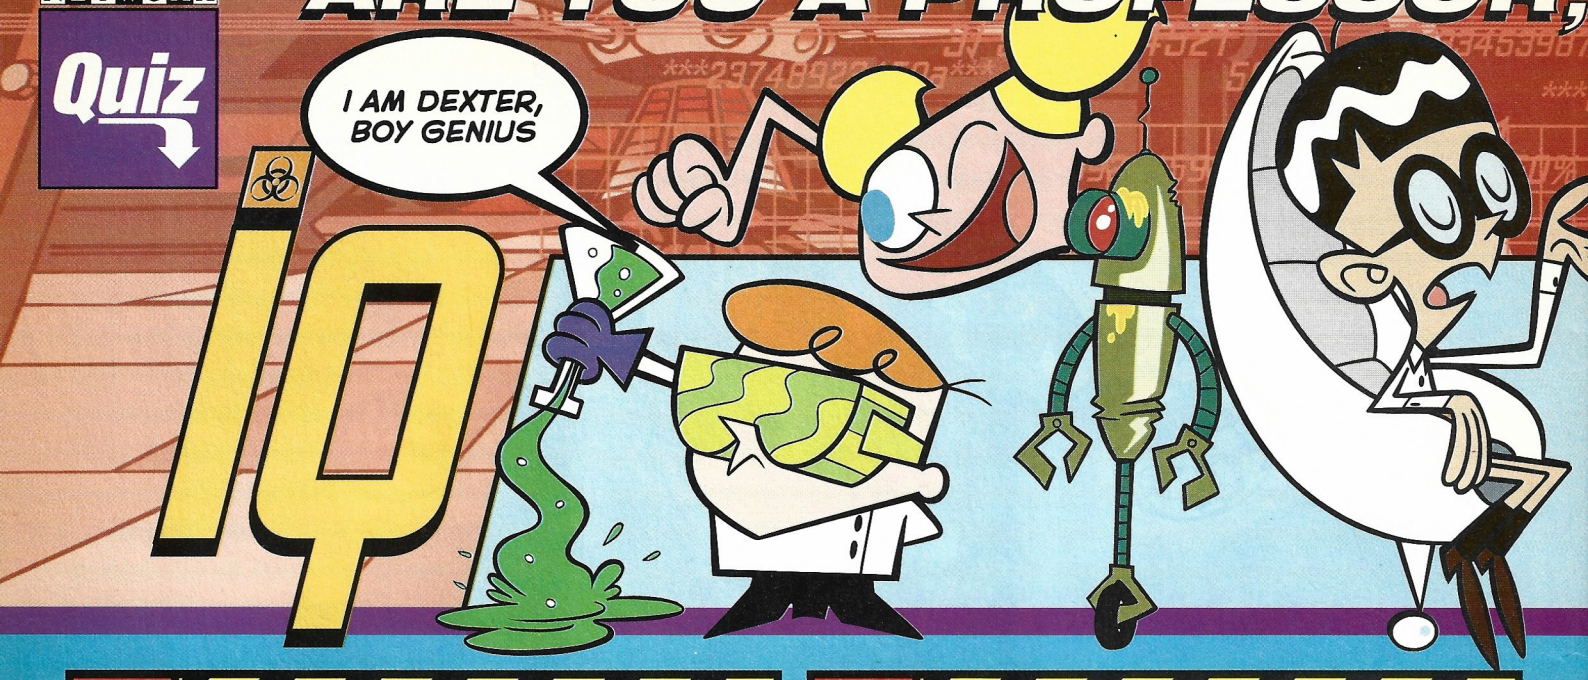
Quiz

ARE YOU A PROFESSOR, IQ



Q.1

The shrinking ray is finished and ready for an experiment. Do you:

a) test it on yourself, shrink down to microscopic size so you can be injected into the bloodstream of someone sick and help them to fight their viruses from the inside?
b) test it on yourself, shrink down to microscopic size so you can play football with the fluff under your bed?

Q.2

You find a green potion in a beaker. Do you:

a) take it to your lab for tests?
b) drink it, belch bubbles and green fire and transform into a jelly blob creature. Well, at least now you won't have to do your homework?

Q.3

A meteor crashes and you go to investigate. A strange creature appears from the crater. Do you:

a) attempt to communicate using your advanced scientific knowledge and computerised language translators of your own invention?
b) end up in flying saucer being probed by slimy green aliens?

Q.4

The teleporting machine is completed and ready for testing. Do you:

a) ceremoniously test some inanimate object, like your pen, before announcing your success to the scientific community and winning several highly prestigious scientific awards?
b) jump in, press GO and end up across the lab with your foot coming out of your head, your ears on your kneecaps and your bum on back to front?

Q.5

You look at the TV page and see that there is an interesting scientific documentary on at the same time as your favourite cartoon show. Do you:

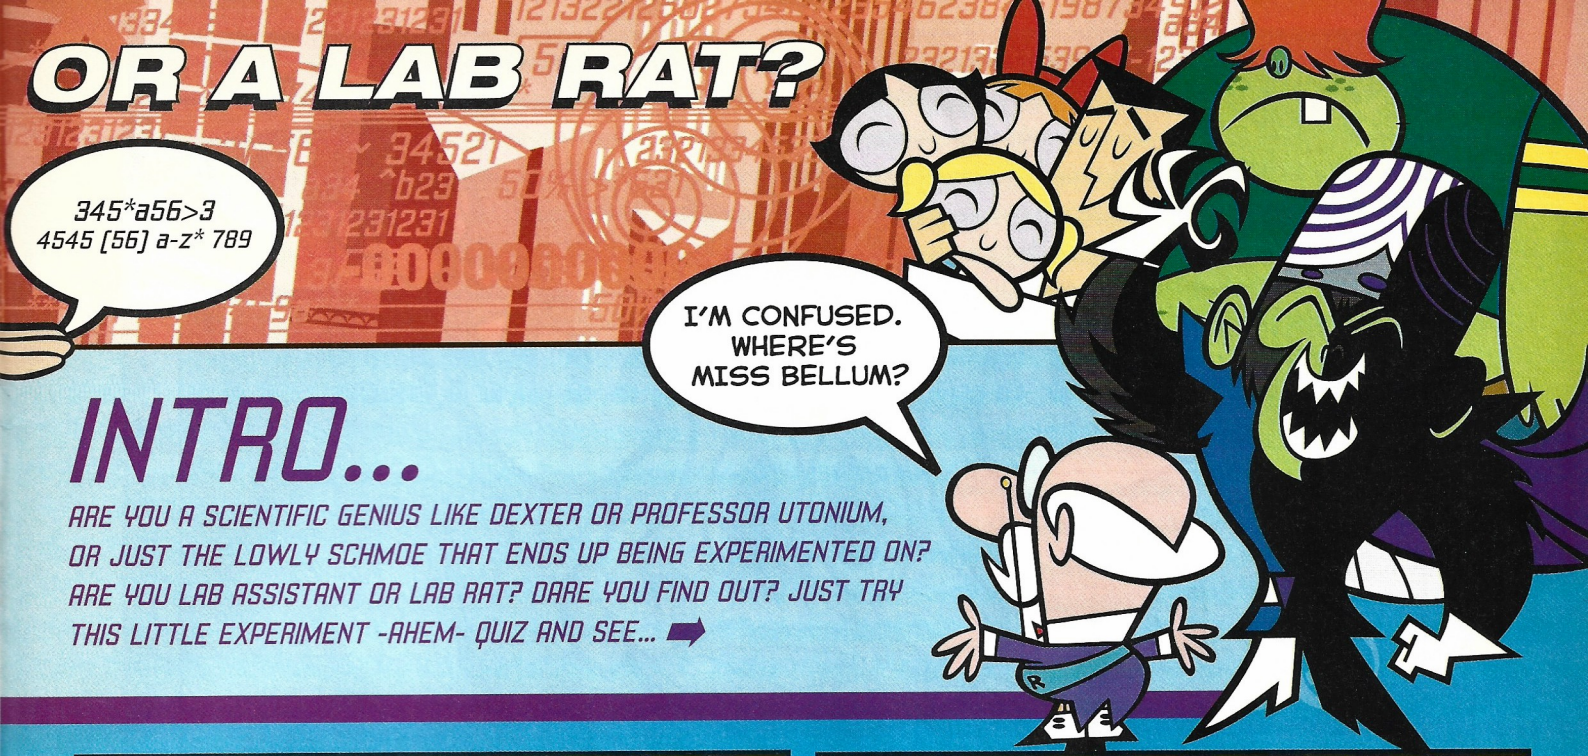
a) clone yourself so you can watch both at the same time and enjoy a lively scientific debate with yourself afterwards?
b) watch the cartoon because cartoons are cool?

Q.6

An interdimensional portal into the fifth dimension opens in the lab. Do you:

a) install a forcefield to stop unwanted intrusions from this otherworldly realm while you investigate the situation further?
b) stick your head through and suddenly have your body taken over by an interdimensional entity known only as Splarg the World Destroyer who then attempts to take over the world?

OR A LAB RAT?



INTRO...

ARE YOU A SCIENTIFIC GENIUS LIKE DEXTER OR PROFESSOR UTONIUM, OR JUST THE LOWLY SCHMOE THAT ENDS UP BEING EXPERIMENTED ON? ARE YOU LAB ASSISTANT OR LAB RAT? DARE YOU FIND OUT? JUST TRY THIS LITTLE EXPERIMENT -AHEM- QUIZ AND SEE...

Q.7

The cloning machine is ready for a test run. Do you:

a) clone a single sheep, just to be on the safe side and evaluate the likely advances to medical science and humanity?
b) program the machine for multiple copies and make dozens of yourself because then at least you'll have someone to talk to, and do your home work, and eat your broccoli, etc?

Q.8

An angry rampaging mob with torches and pitchforks appears at the lab gates. Do you:

a) use your powers of scientific logic and persuasive argument to send them back to their homes mumbling 'Sorry doc, our mistake…"?
b) defiantly shout, "I am not a monster I am… a man!" as the lab burns down around you?

Q.9

A giant monster threatens the city. Do you:

a) race to your secret silo, strap yourself into the control cabin of your latest untested Ultramegabot and go to save the city you love, not to mention the scientific funding the mayor gives you every year?
b) run down the street screaming until you end up as monster toe cheese?

Q.10

The final, vital component has been fitted to the Personal Intertemporal Chrono-Hopper Time Machine. Do you:

a) set it for yesterday, go back and say hello to yourself and see if you remember, thus setting in motion a brain-boggling time-loop paradox that only your great intellect can understand?
b) set it for 10 minutes ago, so you can go back and take this test again, hopefully this time with better results?

HOW DID YOU SCORE?

MOSTLY A's:

You are a true scientific genius, up there with Newton, Einstein and Utonium! The world breathlessly awaits your every discovery. Your intelligence knows no bounds. Not only that, you look devastatingly handsome in a white lab coat, too.

MOSTLY B's:

You are the perfect test subject: gullible, cheap and you don't ask too many questions. However, your contribution to science is a valuable one, so don't forget to leave your body to science afterwards - even scientists need a good laugh every now and again.

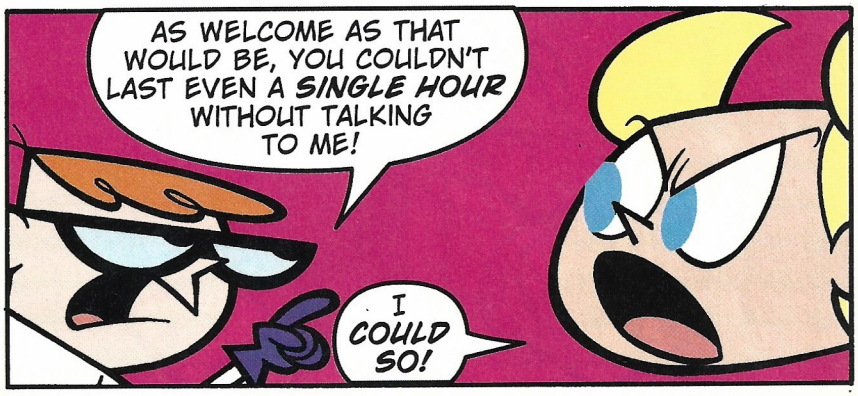
I WILL GIVE YOU ONE LUMP OR TWO, DEE-DEE!
FOR 157 DAYS, THIS MONKEY HAS BEEN IN COMPLETE ISOLATION. IN TWO MORE DAYS, HE WOULD HAVE BEEN RELEASED, BUT NOW...

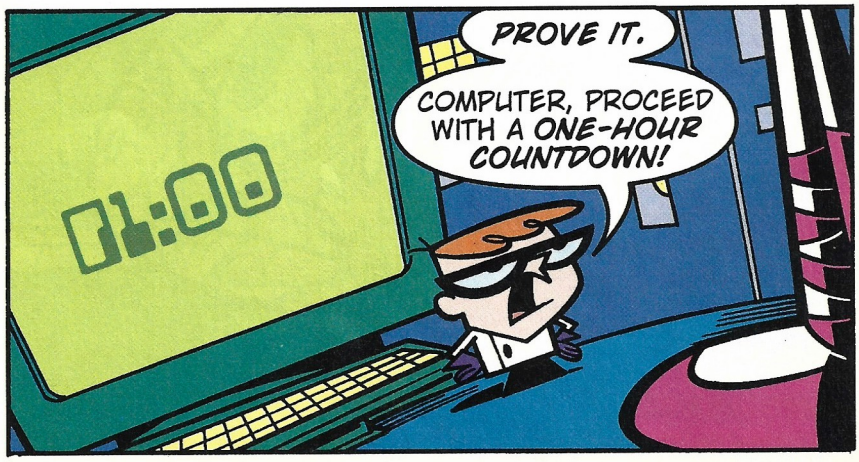
...I MUST BEGIN ALL OVER AGAIN!
WELL, THEN YOU WON'T MIND IF WE PLAY FOR A FEW MORE HOURS FIRST!

GET OUT OF MY LABORATORY!

HMMPH!
I'M NEVER SPEAKING TO YOU AGAIN, DEXTER.



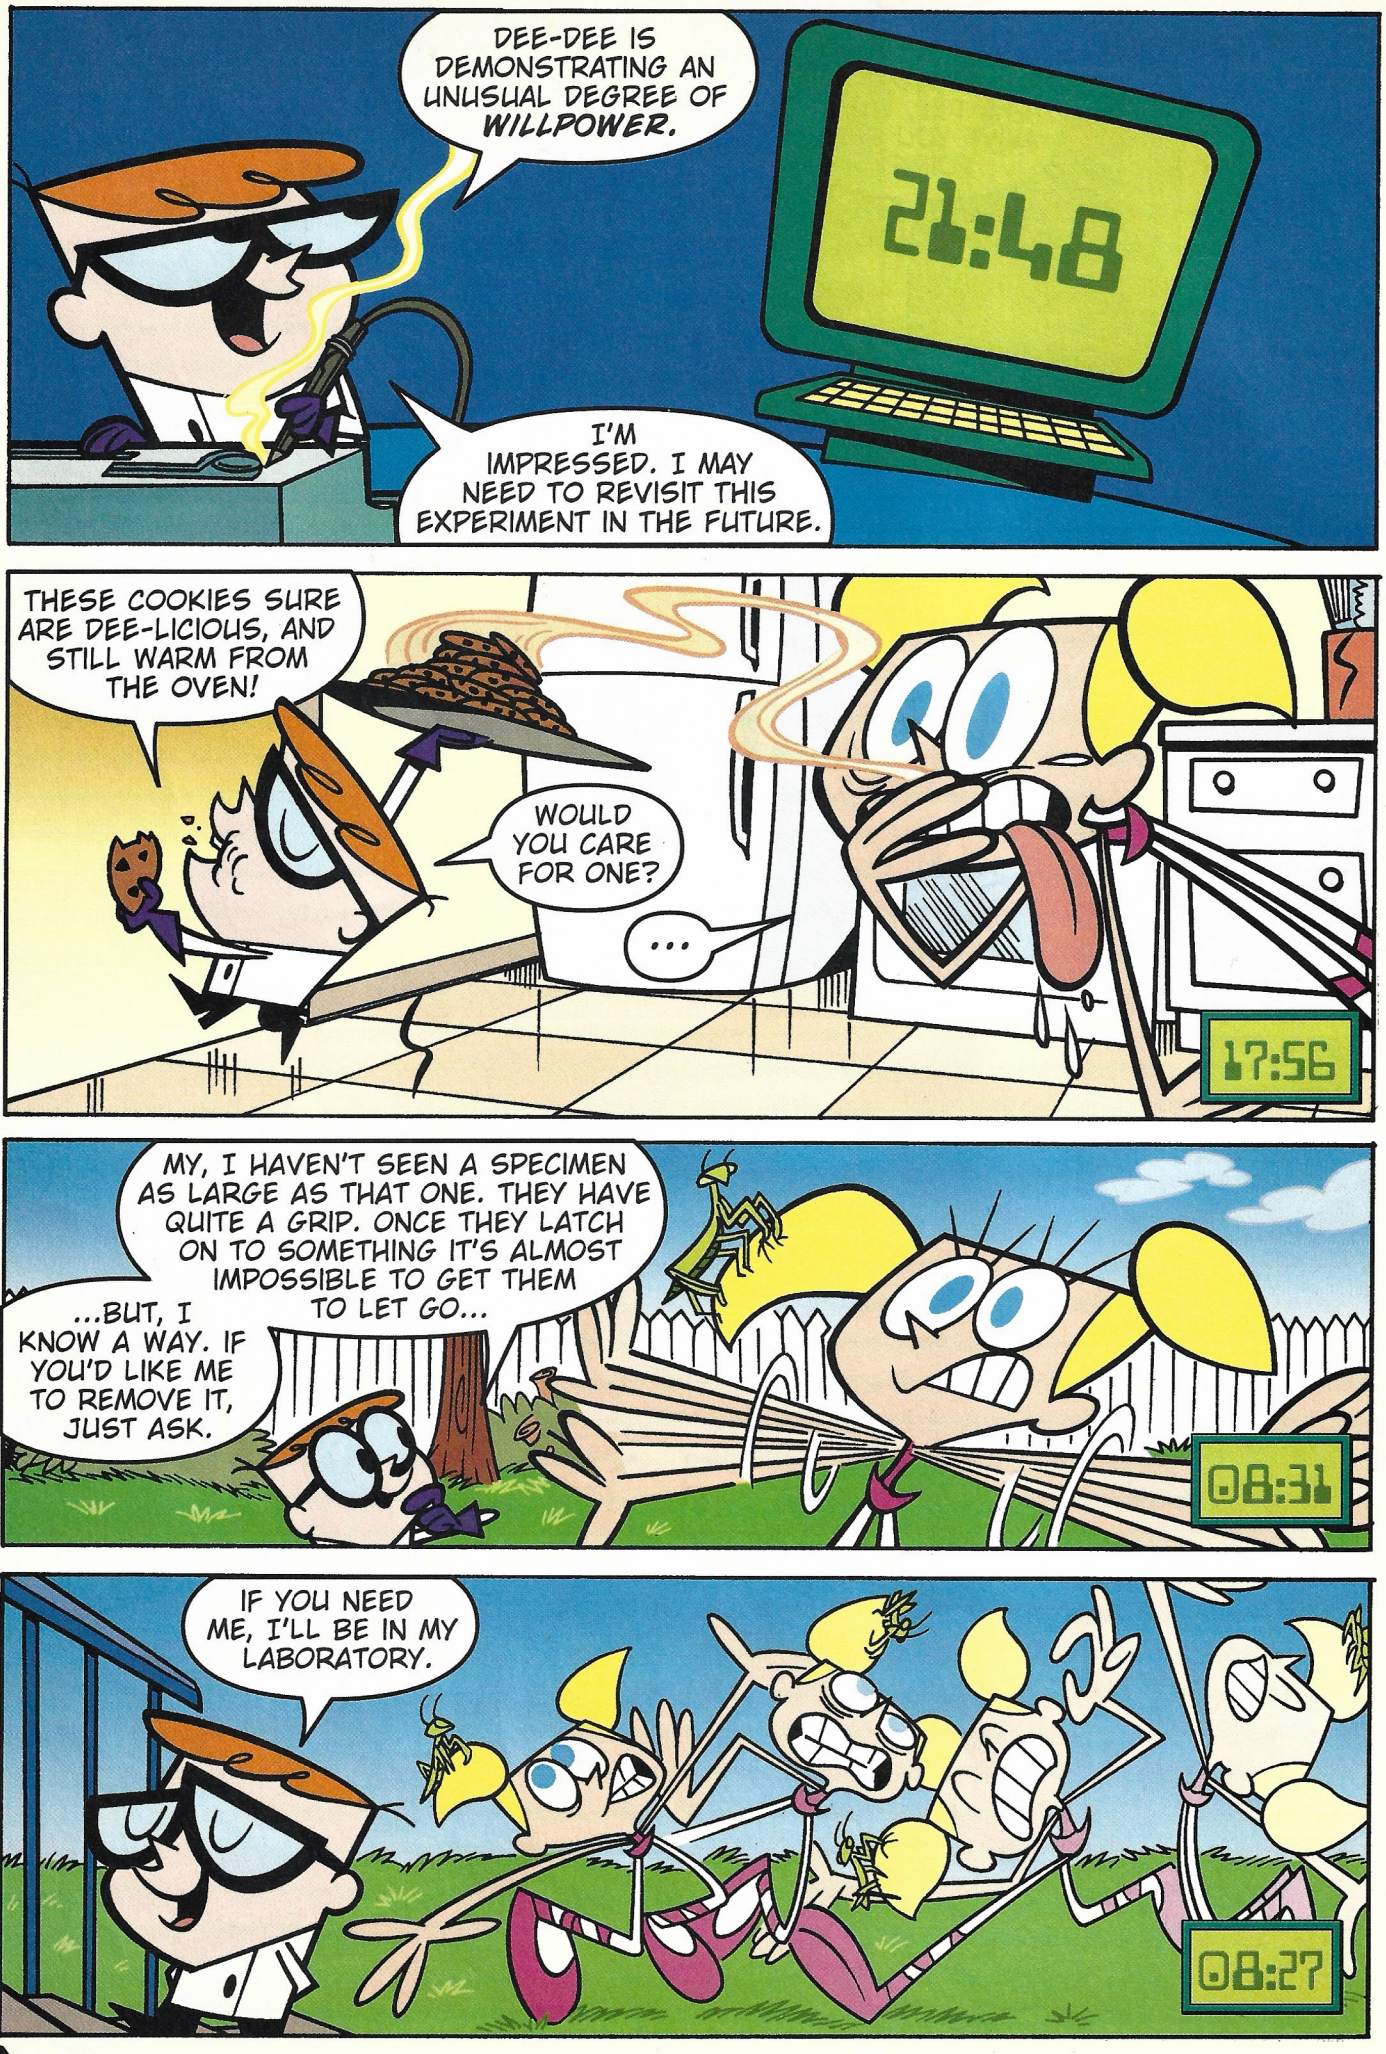
AS WELCOME AS THAT WOULD BE, YOU COULDN'T LAST EVEN A SINGLE HOUR WITHOUT TALKING TO ME!
I COULD SO!



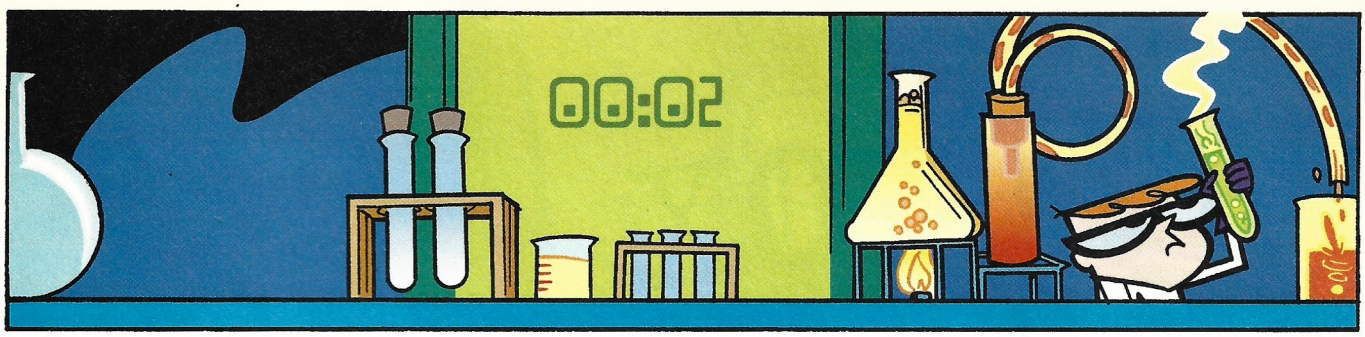
PROVE IT.
COMPUTER, PROCEED WITH A ONE-HOUR COUNTDOWN!
01:00

IT'S WORKING!
EVEN IF SHE ONLY LASTS FIVE MINUTES, THAT WILL BE FIVE MINUTES OF SHEER BLISS!
=GASP!= WHAT'S THAT BEAUTIFUL, COMPELLING SOUND?
IT IS LIKE SOME LOST MASTERPIECE OF HARMONIC COMPOSITION.
WHY, I'M HEARING THE SOUND OF MY *OWN THOUGHTS!*
59:48
ALREADY, THIS IS MY FONDEST VACATION.

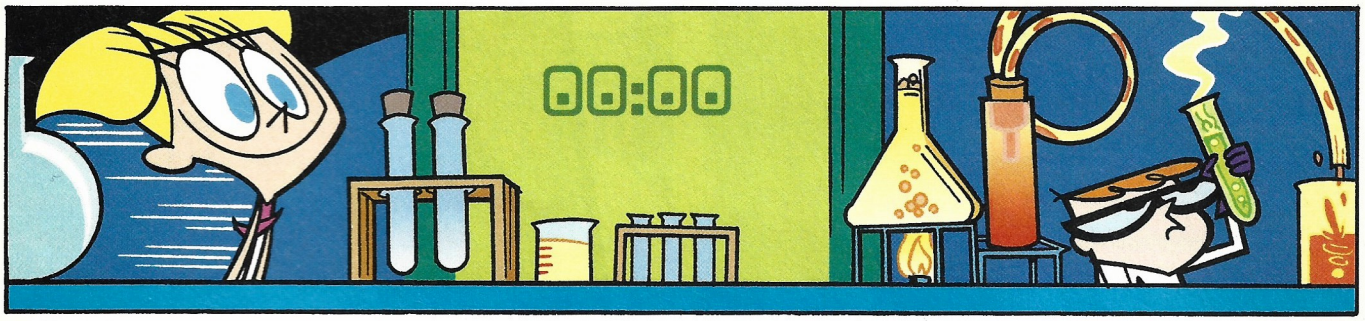
HELLO, DEE-DEE, WHAT HAVE YOU BEEN DOING?
...
54:17
ARE YOU REALLY WATCHING "PONYPUFFS PLAYHOUSE," OR DO YOU MIND IF I CHANGE THE CHANNEL?
...
YOU DON'T? THANK YOU, DEE-DEE!
48:26
THAT WAS YOUR FRIEND MEE-MEE. SHE WANTED TO KNOW WHAT YOU'D LIKE FOR YOUR BIRTHDAY, BUT I DIDN'T KNOW WHAT TO TELL HER.
ANY SUGGESTIONS?
...
41:53
HEH-HEH-HEH-HEH.
36:04



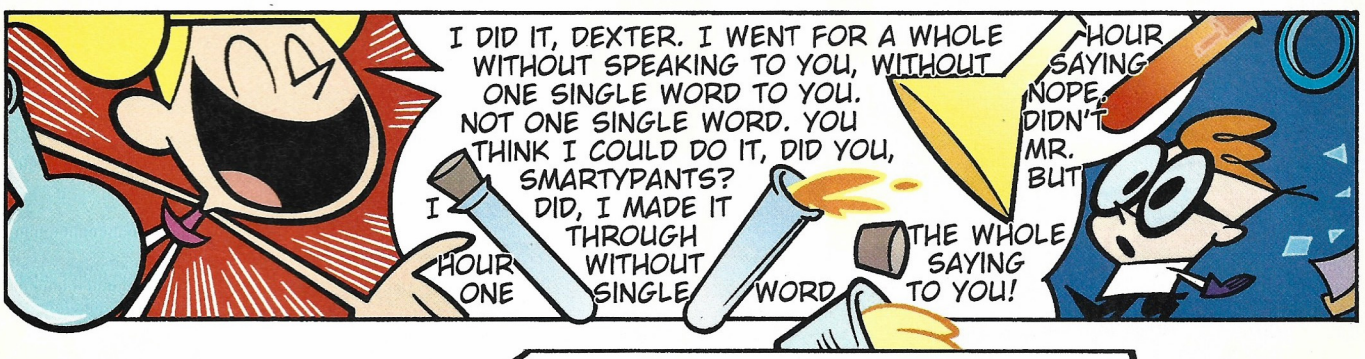
DEE-DEE IS DEMONSTRATING AN UNUSUAL DEGREE OF WILLPOWER.
21:48
I'M IMPRESSED. I MAY NEED TO REVISIT THIS EXPERIMENT IN THE FUTURE.
THESE COOKIES SURE ARE DEE-LICIOUS, AND STILL WARM FROM THE OVEN!
WOULD YOU CARE FOR ONE?
...
17:56
MY, I HAVEN'T SEEN A SPECIMEN AS LARGE AS THAT ONE. THEY HAVE QUITE A GRIP. ONCE THEY LATCH ON TO SOMETHING IT'S ALMOST IMPOSSIBLE TO GET THEM TO LET GO...
...BUT, I KNOW A WAY. IF YOU'D LIKE ME TO REMOVE IT, JUST ASK.
08:31
IF YOU NEED ME, I'LL BE IN MY LABORATORY.
08:27



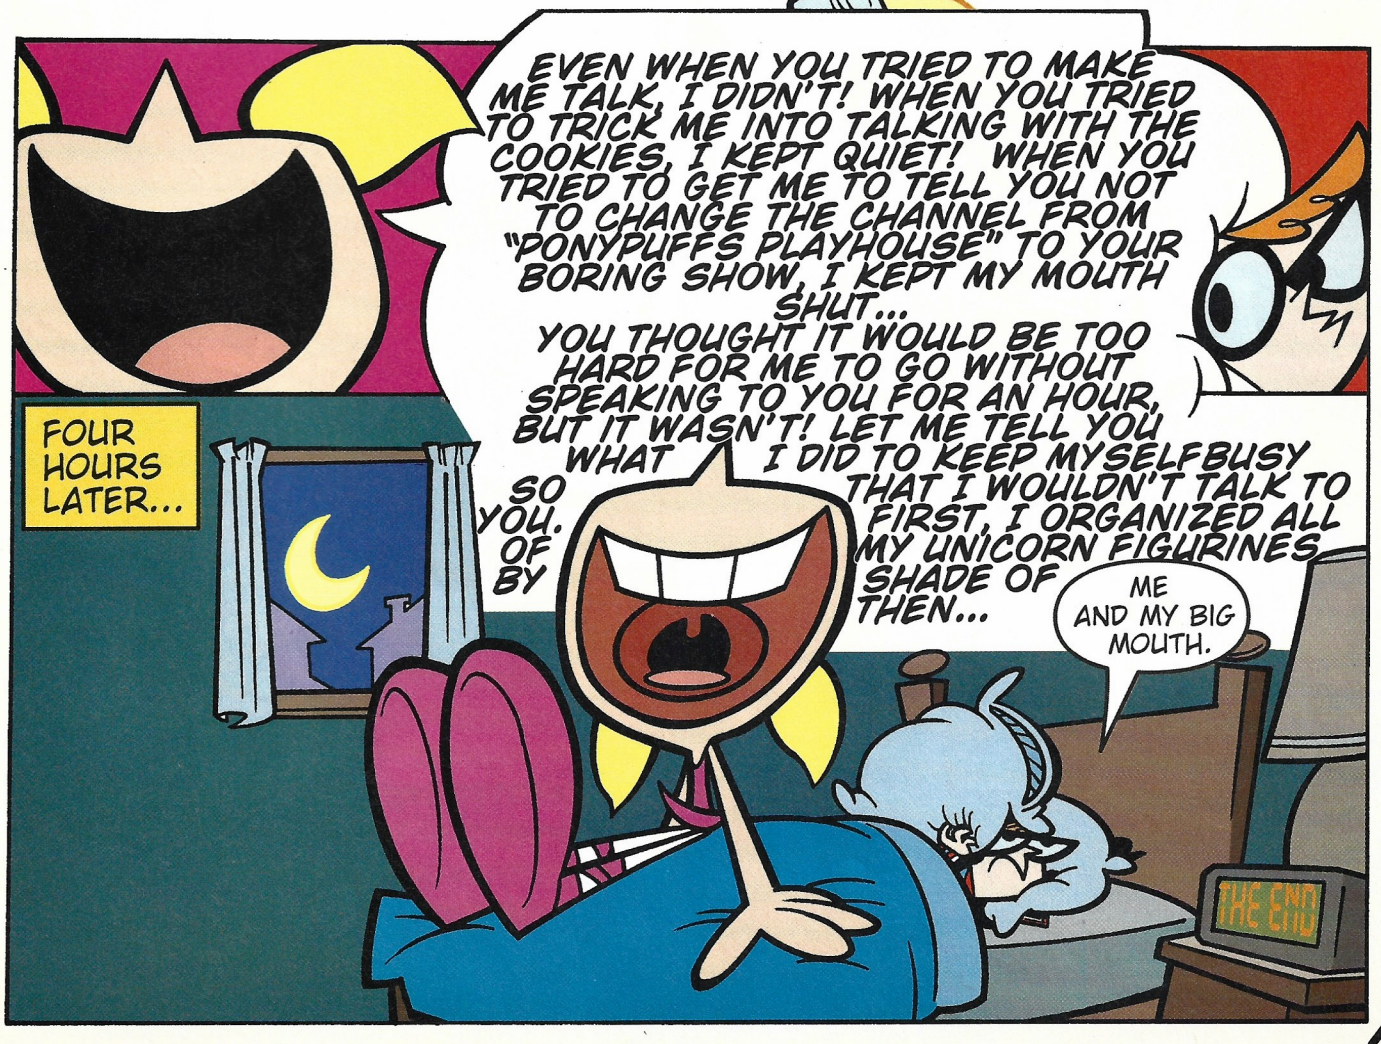
00:02



00:00



I DID IT, DEXTER. I WENT FOR A WHOLE HOUR WITHOUT SPEAKING TO YOU, WITHOUT SAYING ONE SINGLE WORD TO YOU. NOT ONE SINGLE WORD. YOU THINK I COULD DO IT, DID YOU, SMARTYPANTS? I DID, I MADE IT THROUGH ONE HOUR WITHOUT SAYING A SINGLE WORD TO YOU!
NOPE, DIDN'T MR. BUT



EVEN WHEN YOU TRIED TO MAKE ME TALK, I DIDN'T! WHEN YOU TRIED TO TRICK ME INTO TALKING WITH THE COOKIES, I KEPT QUIET! WHEN YOU TRIED TO GET ME TO TELL YOU NOT TO CHANGE THE CHANNEL FROM "PONYPUFFS PLAYHOUSE" TO YOUR BORING SHOW, I KEPT MY MOUTH SHUT...
YOU THOUGHT IT WOULD BE TOO HARD FOR ME TO GO WITHOUT SPEAKING TO YOU FOR AN HOUR, BUT IT WASN'T! LET ME TELL YOU WHAT I DID TO KEEP MYSELF BUSY SO THAT I WOULDN'T TALK TO YOU. FIRST, I ORGANIZED ALL MY UNICORN FIGURINES BY SHADE OF
THEN...
FOUR HOURS LATER...
ME AND MY BIG MOUTH.
THE END

SPACED OUT

When unemployed George Martin lands a dream job as Station Manager aboard a Secret Orbital Space Station, life couldn't be better. Apart for one small problem. His employers are an evil global corporation called "Krach Industries", who are just using the pathetic, gullible (but lovable) George as guinea pig, to test whether human life can be kept alive on their station. Head of the family, George manages to persuade his wife Monica, his two children Betty and Benjamin and his mother to join him in his new venture in space.

With aliens, androids and other bizarre cosmic phenomena, tune in everyday at 6.30pm from Monday 7th January, and see if this clueless family can survive in artificial, unpredictable and often weird outer space!
